1973

MRS. CAMPBELL

Dear Mom,

We thank you for your understanding and compassion throughout our past three years. Whenever possible you came to our aid and proved to be a friend. As we approach our futures and we no longer can reach for your hand, we say Thank You.

It is with love and gratitude that we ask you, Mrs. Marion Campbell, to be the Class of 73's Honorary Senior.

Love,
Your Class

They are not long, the weeping and the laughter,
Love and desire and hates
I think they have no portion in us after
We pass the gate.
They are not long, the days of wine and roses:
Out of a misty dream
Our path emerges for a while, then closes
within a dream.

Student Viewpoint

With each new year the Vocational School tries to add something new to better its programs and to help its students prepare for the world of work upon graduation. This year a newly-introduced cooperative-ed program enabled us as seniors to gain valuable on-the-job training in our specialties. This has been more than a mere work experience; it has been valuable in helping us to adjust to the realities of the real world of work. Becoming aware of adult employee-employer relationships alone is worth the experience. The class of 1973 is certain of its educational value and hopes that it is carried on. It has been a tangible and profitable experience for all of us.

Ron Vanaria

Peters Gospel

"Peter's Gospel," presented by the Waltham High School Concert Choir and Chorale during the 1972-73 school year was a unique and exciting combination of music from "Purlie," "Godspell," "Jesus Christ Superstar," and Leonard Bernstein's "Mass."

The program was unique because the casual listener found a wealth of enjoyable music while the thoughtful listener was rewarded with subtle questions to ponder.

"Peter's Gospel" comments on the crisis of modern day religion, a complex and often overworked problem. However, through the wise selection of music combined with slides and dramatic action "Peter's Gospel" makes its points and makes them well.

The program directed by Peter J. Kennedy and assisted by Edward D. May used a multimedia approach utilizing slides and dramatic action plus costumes, scenery, and closed circuit television.

WHS Concert Choir

in Florida

With a spring tour to Florida in mind, over 70 talented and enthusiastic members of the WHS Concert Choir combined their efforts to make this enjoyable experience possible. This activity along with numerous concerts performed for various organizations within and surrounding the community, highlighted the school year.

The Concert Choir members are selected by audition, from the general chorus of over 200 students, who enjoy expressing themselves through music. The officers of the group aid in reviewing the applicants who seek membership in the Concert Choir. Auditions are held three times during the year. This system of auditions enables everyone who seek membership more opportunity.

Many thanks to all who helped to make this a wonderful year.

Seniors who sang, danced, joked, painted, hammered and goofed their way through weeks of rehearsal and toil.

But on those two November evenings, performers and audience could realize that the Class of 1973 would never walk alone.

Dedication of the 1973 *Mirror* to Mr. Almon Morang

Class Day

On Friday, June 1, 1973, class president Roger Brooks welcomed over eight hundred seniors to the annual Class Day festivities. Following musical selections by the Waltham High School Concert Choir, The High School Band, and the award winning Stage Band, the Class Day King and Queen, Paul DePass, and Joan Short, and their attendants, Carmen Lassalle, and Donna Ricketts, were crowned and seated.

Several comic skits concerning "realities" of school life, presented by class members under the direction of Mrs. Karen DeMauro, had the audience in high spirits and laughter. The emotional climax of the afternoon came with the presentation of a handsome lounge chair to retiring housemaster Almon Morang. Mr. Morang was further honored by the dedication of the 1973 *Mirror*. The seniors chose as their honorary classmate Mrs. Marion Campbell.

Following the activities, a reception was held for seniors, parents, and guests.

The

Junior Prom

"Color My World"

The making of a memory

Mr. Gerard J. Belliveau, Ricky Guzzi, attendant Susanne Douglas, Steve Antonellis, Queen Cathy Degenhardt, attendant Peggy Doherty, David Annecchiarico.

Honored guests enjoying dinner . . .

We've only just begun . . .

On March 17, 1973 the Class of 1974 "Colored Their World"; it was the annual Junior Prom. For the first time in Waltham High's history the prom was catered. A five course dinner was served, and there was dancing. The evening was climaxed by the selection of the Queen, Cathy Degenhardt, and her court, Peggy Doherty and Susan Douglas. The class of 1974 had a truly memorable evening.

Who did your hair?

What ticket?

You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people. With all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.

TO THE CLASS OF '73

Sincere congratulations,
Class of '73;
A world of peace awaits you,
And you now hold the key.

You are the first to graduate,
In a land where peace abides;
The war has ceased in Vietnam,
The door is opened wide.

The knowledge you have gathered,
The truths that you hold dear;
Will help you to attain your goal,
Throughout the coming years.

This lovely land we live in,
Our heritage from the past,
Is yours to mold and cherish,
Now that peace is here at last.

Plan to make more progress,
In scientific gains;
Face the problems of the world,
Til' only truth remains.

Protect our country's beauty,
It's mountains, fields, and streams;
Keep them pure, and clean, and fair,
A land of hopes and dreams.

Sincere congratulations,
Class of '73;
A world of peace awaits you,
Please keep it safe and free.

YOU CAN'T GET A
GOOD JOB
WITHOUT EXPERIENCE.
WE'LL GIVE YOU BOTH!

There are plenty of jobs in the want ads. Unfortunately, almost all the good ones ask for experienced help. So ask yourself: how can I get experience if no one will ever hire me? One answer lies in today's Army.

We'll hire you at a good salary to start. No experience necessary. We'll give you free meals, free medical and dental care, and 30 days paid vacation a year. And we'll give all the training and experience you'll need in almost any job you want. A job you can make a career of in the Army or out of it.

If you're qualified, **you** can pick that job training from over 200 courses offered, before you join. And after your enlistment is up, you can still receive up to 36 months of financial assistance at the college of your choice.

We have too many good things to offer you to make any up. We won't guarantee you anything we can't pay off. If we guarantee you Europe, start rubbing your skis because you'll need them. Everything we guarantee will be put down in writing. We want you to know without a shred of doubt that you'll get everything you signed for. So we'll give you a card which spells out, in a language you can understand, everything you signed for. We'll never try to mislead you . . . that's our job. You can also pick **where** you want to work.

And don't forget . . . if you want to spend a little more time around home, we have a delayed enlistment program. You can sign up now and leave next week, next month or anytime up to six months later.

These are only a few of the advantages we have. That's why we have top-notch representatives like Sergeant Dan Pluta here in the civilian community. He has a motto . . . "Tell It Like It Is." No rosy pictures.

You can talk with him at no obligation, at 671 Main Street, Waltham or call him for an appointment at 894-9289, 891-0362 or 891-4434. He is here to serve YOU.

You can join for 2, 3, 4, 5 or 6 years . . . whichever best fits your needs.

Welcome
